SUMMARY

Versatile developer with a passion for crafting immersive digital experiences. Proficient in harnessing the power of HTML, CSS, and JavaScript to build elegant and responsive front-end solutions that captivate users. Expertise in leveraging React, a dynamic front-end framework, to create visually stunning and highly interactive web applications.

On the back end, adept at utilizing Node.js, Express.js and MongoDB to architect robust and scalable server-side solutions. An innate ability to seamlessly integrate front-end and back-end components, ensuring flawless functionality and a seamless user journey.

EDUCATION

(BCA) Computer Science

IMS Ghaziabad

📅 2020 - 2023 📍 Ghaziabad

- During my studies as a software engineer, I gained a deep understanding of programming languages, algorithms, and data structures. I also learned about software design principles, version control, and testing methodologies. My experience included working on various coding projects, collaborating with peers, and problem-solving through debugging and optimization. Additionally, I acquired knowledge of web development, databases, and software development lifecycle practices.

TECHNICAL SKILLS

HTML	CSS	JAVASCRIPT	REACT.JS	NODE.JS

EXPRESS.JS	MONGODB	DATA STRUCTURE

ALGORITHM	VERSION CONTROL

PROJECTS

ECOMMERCE WEBSITE

🔗 https://famous-kataifi-a3bcd2.netlify.app

Led React-based e-commerce website project, combining design and development skills to create a user-friendly,Compatible Device platform. Resulted in an engaging online shopping experience.

PERSONAL PORTFOLIO

🔗 https://harshitnigam.in

Developed a personal portfolio showcasing my talents and skills effectively.

PHOTOGRAPHY WEBSITE

🔗 https://paradisephotographyindia.com/

Designed and launched a photography website that showcased portfolios creatively, providing an engaging user experience and promoting visual storytelling.

FIGMA DESIGN INTO CODE USING PLUGIN

🔗 https://87558dac-02b2-416a-a7c6-52e6fc0083b6.vercel.app/

Generated Next.js components from **Figma design** and exported clean **code** that is extendable. Responsive in nature for all compatible devices.

ACHIEVEMENTS

🚀 **PERSONAL PORTFOLIO**

Designed and developed a comprehensive online personal portfolio showcasing my projects and skills, utilizing responsive web design principles to ensure optimal viewing experiences across various devices. Leveraged my expertise in web development to create a user-friendly interface, and successfully deployed the portfolio on the web under my personalized domain, establishing a professional online presence to highlight my capabilities and accomplishments.

TRAINING / COURSES

FULL STACK WEB DEVELOPMENT BOOTCAMP 2023

UDEMY

Certified in HTML, CSS, JAVASCRIPT WEB DEVELOPMENT COURSE
